2006 SUMMER ENRICHMENT PROGRAMS

Welcome to the 2006 Summer Enrichment Programs

With pleasure, we are delighted to welcome you to the City of Harrisburg's 2006 Summer Enrichment Program. Themed "Respect Is The Key That Opens All Doors!", this exciting summer-long series of events and activities represent the most extensive program schedule ever conducted by the city. In fact, it is the most extensive recreational program ever conducted by any community in midstate history, and includes 16 playground sites and 3 swimming facilities staffed daily through mid-August. Giant Food Stores has once again graciously agreed to sponsor our Sports and Performing Arts Camps, and an array of other special events, sports leagues, educational programs and cultural trips are also planned. There is truly something for every member of the family to enjoy in the 2006 Summer Enrichment Program.

Our special acknowledgement is extended to the Harrisburg School District for their support and assistance in conducting daily lunch programs at all of our sites. This vital service enhances our mutual goal of nurturing our youth, this nation's most precious human resource.

Our appreciation is further extended to the many non-city facilities and personnel that have joined with the City of Harrisburg in presenting this diverse and fun-filled calendar of free to low cost events and activities. Feel free to take advantage of the many opportunities presented by the 2006 Summer Enrichment Program, as it is for you that so many have put forth such effort to enlighten, educate and entertain.

Have a Great Summer and remember
"Respect Is The Key That Opens
All Doors!"
